

REMARKS

In the Office Action, a three-way restriction requirement is set forth. Accordingly, Applicants here by elect the claims of Group I which correspond to claims 1-11. Accordingly, claims 12-34 have been canceled, without prejudice, for filing in a divisional application. Further, Applicant also elects the species of Group c which relates to restrictions on the types of goods and services. It is believed that claims 1-4 and 7-11 read on the elected species. Also, Applicants note that upon allowance of a generic claim, Applicant will be entitled to consideration of all claims to additional species which are read in dependent form.

CONCLUSION

In view of the foregoing, Applicants believe all claims now pending in this Application are in condition for allowance. The issuance of a formal Notice of Allowance at an early date is respectfully requested.

If the Examiner believes a telephone conference would expedite prosecution of this application, please telephone the undersigned at 303-571-4000.

Respectfully submitted,
